

Northwest Design Awards Gala 2007

2007 design achievement award honorees

This is the fifth annual awards collaboration between Seattle Design Center and Seattle Homes & Lifestyles to recognize Design Achievement in the region. The purpose of the awards is to herald Seattle-area professionals who have emerged as leaders in design, and who have had a significant impact on their design discipline.

northwest design award winners

The Northwest's top designers were recognized at Seattle Design Center's annual Northwest Design Awards Gala September 27. The Northwest Design Awards competition recognizes interior design professionals whose work has made a significant contribution to the design industry. Projects are judged on the basis of problem solving, creativity, quality of design and beauty of the space.

Awards were presented in fourteen categories: kitchen, bathroom, living room, bedroom, whole house (more than \$200,000), remodel, best of traditional design, best of contemporary design, retail, commercial, yacht/jet, outdoor living space, environmentally responsible design and student design. The honorees in each category are:
